EDUCATION AND SKILLS

Voice Over Education - Edge Studio (2014 – 2015)

Took classes specializing in voice over technique, home studio design, audio editing, marketing and business theory; personal coaching from Jay Snyder, Johnny Heller, Carol Monda, Arthur Insana, and Joe Loesch

Classical Singing, Baritone - Frederick Mansour (2019-2021)

Under Fred Mansour, I learned breath support, range extension, blending of voices, rich vibrato, falsetto, and bringing emotion into singing. Focus was on a classical style of singing, but a pop style was likewise practiced.
